Ben Selecman passed away twelve days after a traumatic brain injury—and three weeks before celebrating his first anniversary with his wife. Twenty-eight-year-old Mattie had to find a way to move forward and reconcile herself with a good God, even when He did not give her the healing miracle she prayed for. In *Lemons on Friday*, readers walk with Mattie Jackson Selecman during the first years of grief following Ben ' s tragic death as she grapples with her loss and leans on a steadfast God. Based on Selecman ' s journal writings, *Lemons on Friday* will speak to all readers who must carry on without their loved ones and take a hard look at faith when their lives have not gone as planned. *Lemons on Friday* grapples with questions like these: How did I get here? How do I move forward? “ When fundamental parts of our lives are lost, when people and things we thought we ' d never lose are suddenly gone, it ' s natural to want answers, ” writes Selecman. “ Why did this happen? Who ' s to blame? What could I have done differently? And for many of us in the aftermath of life-shattering change, we
