In school she was taunted for her dirty clothing and lice-infested hair, eventually skipping so many classes that she was put into a girls' home. At age fifteen, Liz found herself on the streets. She learned to scrape by, foraging for food and riding subways all night to have a warm place to sleep. When Liz's mother died of AIDS, she decided to take control of her own destiny and go back to high school, often completing her assignments in the hallways and subway stations where she slept. Liz squeezed four years of high school into two, while homeless; won a New York Times scholarship; and made it into the Ivy League. Breaking Night is an unforgettable and beautifully written story of one young woman's indomitable spirit to survive and prevail, against all odds.~~

~~\_\_\_\_\_ Liz Murray never really had a chance in life. Born to a drug-addicted father who was in and out of prison, and an equally dependent mother who was in and out of mental institutions, she seemed destined to become just another tragic statistic; another life wasted on the brutal streets of New York. By the age of 15, Liz found herself homeless with nowhere to turn but the tough streets, riding subways all night for a warm place to sleep and foraging through dumpsters for food. But when her mother died of AIDS a year later, Liz's life changed for ever. With no education, with no chance at a job or a home, she realised that only the most astonishing of turnarounds could stop her heading all the way down the same path her parents took. And so she set her mind to overcoming what seemed like impossible odds - and in the process, achieved something extraordinary. Told with astounding sincerity, Breaking Night is the breathtaking and inspirational story of how a young women, born into a world without hope, used every ounce of strength and determination to steer herself towards a brighter future. Beautifully written, it is a poignant, evocative and stirring portrait of struggle, desperation, forgiveness and survival.~~

~~Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.~~

~~A continuation of the memoir "A Girl Named Zippy" follows the story of her mother, Delonda, who reinvents her life by returning to college and losing fifty pounds, while Zippy continues to work out the dynamic of their nuclear family.~~

~~"I saw his face." Deborah Hall's words launched the destiny of two men from very different worlds. Ron Hall was an international art dealer with upscale tastes; Denver Moore was a homeless drifter with a dangerous past. Millions have read about their unlikely bond through their first book, Same Kind of Different as Me—a New York Times bestseller and now a major motion picture. Workin' Our Way Home describes the ten years Ron and Denver lived together after Miss Debbie's death. Written in both Ron's and Denver's unique voices, their inspiring (and often hilarious) adventures include: Their sometimes-bizarre life together in the Murchison Mansion, Denver accidentally almost burning the house down—twice, The challenges involved with making a movie, Two visits to the White House, Travelling the country to raise awareness about homelessness, And much more. With both wit and wisdom, these pages reveal God's plan lived out through these men and those closest to them, including their passion to fulfill Debbie's dream of easing the pain and humiliation associated with homelessness, poverty, and inequality. "Whether we is rich or whether we is poor, or somethin in between, this earth ain't no final restin place. So in a way, we is all homeless—ever last one of us—just workin our way home." —Denver Moore~~

~~At the beginning of the homelessness epidemic in the 1980s, Josephine Ensign was a young, white, Southern, Christian wife, mother, and nurse running a new medical clinic for the homeless in the heart of the South. Through her work and intense relationships with patients and co-workers, her worldview was shattered, and after losing her job, family, and house, she became homeless herself. She reconstructed her life with altered views on homelessness—and on the health care system. In Catching Homelessness, Ensign reflects on how this work has changed her and how her work has changed through the experience of being homeless—providing a piercing look at the homelessness industry, nursing, and our country's health care safety net.~~

~~\* NEW YORK TIME BEST SELLER\* Imagine yourself a thirteen-year-old hundreds of miles away from home, in a strange city, and your mom leaves you at a bus station parking lot and drives off into the night with her lover. That's the real life story of country music star Jimmy Wayne. It's a miracle that Jimmy survived being hungry and homeless, bouncing in and out of the foster care system, and sleeping in the streets. But he didn't just overcome great adversity in his life; he now uses his country music platform to help children everywhere, especially teenagers in foster care who are about to age out of the system. Walk to Beautiful is the powerfully emotive account of Jimmy's horrendous childhood and the love shown him by Russell and Bea Costner, the elderly couple who gave him a stable home and provided the chance to complete his education. Jimmy says of Bea, "She changed every cell in my body." It also chronicles Jimmy's rise to fame in the music industry and his Meet Me Halfway campaign: his walk halfway across America, 1,700 miles from Nashville to Phoenix, to raise awareness for foster kids. His life was barely worth a dollar. He slept outside, on park benches, in stairwells, under bushes. Michael Gaulden lived in shelter after shelter across the United States. With his father incarcerated and mother disabled, he stayed homeless for ten years. From the age of seven to seventeen, Michael, with his mother and sister, journeyed along his own underground railroad, desperately searching for a way to free his family from the sewers of society. Michael learned death was a big part of youth homelessness. Education was not. To survive, he had to become something more. Caught in between two worlds- his dreams vs. his reality- violence, gangsters, hunger, poverty, and sorrow marked his daily life. Michael vowed to change his fate through getting his high school diploma. He never hoped to dream that not only would he graduate from high school but also from a prestigious California university. This is the true story of a homeless boy, marked for prison or worse, who fought against tremendous odds and persevered to achieve academic and professional success.
