Conditionals  
Conditional Sentences Four

Conditional sentences express a connection between two actions or states. One thing happens because of another. These connections can be general, specific, likely, unlikely, real or imagined.

# Read Online English Grammar Conditional Sentences Four

## Learning English

To talk about a hypothetical situation, use *si* (if) with the imperfect in one part of the sentence (the condition), and the conditional in the other part of the sentence, just as in English.

# Read Online English Grammar Conditional

## Using the imperfect tense in a conditional sentence

Conditional sentences express a connection between two actions or states. One thing happens because of another. These connections can be general, specific, likely, unlikely, real or imagined.
