Exceptional Students: Preparing Teachers for the 21st Century provides balanced coverage of the foundations of exceptionalities future teachers need to know to understand their students and responsibilities. The second edition has been updated to reflect the role of the special educator, while continuing to address the role of the general educator in serving special populations.

The first Introduction to Special Education text written specifically for BOTH future general and special educators. This groundbreaking text provides balanced coverage of the foundations of exceptionalities that future teachers need to know to understand their students and responsibilities, and the practical information they need to effectively teach all students.

Exceptional Students: Preparing Teachers for the 21st Century provides balanced coverage of the foundations of exceptionalities future teachers need to know to understand their students and responsibilities. The third edition has been further updated to reflect the role of the special educator, while continuing to address the role of the general educator in serving special populations. Instructors and students can access their course content through the Connect digital learning platform by purchasing either standalone Connect access or a bundle of print and Connect access. McGraw-Hill Connect® is a subscription-based learning service accessible online through your personal computer or tablet. Choose this option if your instructor will require Connect to be used in the course. Your subscription to Connect includes the following: SmartBook® - an adaptive digital version of the course textbook that personalizes your reading experience based on how well you are learning the content. Access to your instructor's homework assignments, quizzes, syllabus, notes, reminders, and other important files for the course. Progress dashboards that quickly show how you are performing on your assignments and tips for improvement. The option to purchase (for a small fee) a print version of the book. This binder-ready, loose-leaf version includes free shipping.

Designed for primary and secondary teachers, this text connects theory to practice while presenting foundational teaching and assessment practices for culturally and linguistically diverse exceptional (CDLE) students. It examines current and alternative practices, explores the multicultural movement, and brings together foundational information from special education and ELL/bilingual fields to target the specific needs of CDLE students. Practical in nature, the book and its resources include hands-on suggestions for immediate classroom implementation, case studies, examples of authentic student language, and video clips of teachers in action. The book is organized into four main sections: - Understanding student and family backgrounds - Strategies for assessment and planning for instruction - Strategies for content and language acquisition - Strategies for literacy instruction
