Gregg shorthand is a form of shorthand that was invented by John Robert Gregg in 1888. Like cursive longhand, it is completely based on elliptical figures and lines that bisect them. Gregg shorthand is the most popular form of pen stenography in the United States; its Spanish adaptation is fairly popular in Latin America. With the invention of dictation machines, shorthand machines, and the practice of executives writing their own letters on their personal computers, the use of shorthand has gra

GREGG SHORTHAND DICTIONARY v First, we should explain that the following have been eliminated as being unnecessary : 1. Short, simple words that any student who is still working on the early part of the Manual can easily write, such words as cat,dog, etc. 2. Purely "dictionary words." Every word in the list of nearly 19,000 is a word in good usage.
