In HARDPRESSED, the highly anticipated second book of the Hacker Series that began with Hardwired, Blake and Erica face threats that put both their love and their lives on the line. Despite Blake Landon's controlling ways, the young and wealthy hacker finally won the trust of the woman he loves. Internet entrepreneur Erica Hathaway broke down the walls that kept her from opening her heart and her business to Blake. Ready to start this new chapter in her life, Erica is determined not to let anything come between them, even if that means giving Blake back some of the control he craves in and out of the bedroom. But when demons from her past threaten their future, Erica makes a decision that could change their lives forever.

Determined to overcome a difficult past, Erica Hathaway learns early on to make it on her own. Days after her college graduation, she finds herself face to face with a panel of investors who will make or break her fledgling start-up website. The only thing she didn't prepare for was going weak in the knees over an arrogant and gorgeous investor who seems determined to derail her plans. Billionaire and rumoured hacker Blake Landon has already made his fortune in software, and he's used to getting what he wants. Captivated by Erica's drive and unassuming beauty, he's wanted nothing more than to possess her since she stepped into his boardroom. Determined to win her over, he breaks down her defences and fights for her trust, even if it means sacrificing a level of control he's grown accustomed to. But when Blake uncovers a dark secret from Erica's past, he threatens not just her trust, but the life she's fought so hard to create. The perfect new addiction for fans of Fifty Shades of Grey and Sylvia Day's Bared To You series.

Software mogul Blake Landon has met his match in headstrong Erica Hathaway. While his controlling nature and her independent spirit continue to battle, Blake has no intention of letting her out of his life again. Erica has given Blake her trust and her love, determined that they will conquer any challenges together. But when he demands more and tests the boundaries of her commitment, she is forced to face the dark desires he's kept hidden. As their bonds grow tighter, their enemies close in. With Erica's start-up in danger, Blake's frustration grows as he tries to protect her from those who would ruin her only to get to him. Can their relationship survive when Blake's enemies cross the line and threaten more than her livelihood?

Blake Landon is a man who has everything-wealth, good looks, and the love of Erica Hathaway. The power couple has been through hell and back, and when life has torn them apart, somehow they have always found their way back to each other, more in love and stronger than ever. Erica has never been more ready to say I do. On the verge of making the ultimate commitment, she uncovers an unsettling chapter of Blake's history. As she makes peace with her own past and the family who left her behind, she presses Blake to tear down the last walls between them. Determined to know the man he once was, she opens a door to a world beyond her wildest imagination-a world that has her questioning the limits of her own desires. As danger lurks and dark secrets come to light, will the past destroy their promise of forever?

Editorial Reviews "The third book in Wild's Bridge series is a fantastic read, certain to woo new readers and satiate her returning fans. Over the Edge checks off all the boxes: it's emotional, intense and extremely sexy. Desperate to carve out a life that is truly hers, Liv walks away from it all and takes on the challenge of helping her brothers open a chain of fitness centers in New York City. Just as she's beginning to find her footing in a new place, she's caught between two men who couldn't be more determined to turn all her goodness inside out. Will Donovan has the capital to make the Bridge brothers' entrepreneurial dreams a reality. Taking their uptight sister to bed seems a reasonable perk for the risk. Liv is the smartest, sexiest prude Will's ever met, and he can't wait to break her down. Life is too short for Ian Savo to play by anyone's rules. Sharing women with his friend isn't anything new, so when Will introduces him to Liv, he can't wait to get a taste. But falling for the same girl, or falling at all, was never in the plans...
