**THE THRILLING #1-BESTSELLING MEMOIR BY THE ADVENTURE LEGEND AND STAR OF NBC'S RUNNING WILD WITH BEAR GRYLLES**
Bear Grylls has always sought the ultimate in adventure. Growing up on a remote island off of Britain's windswept coast, he was taught by his father to sail and climb at an early age. Inevitably, it wasn't long before the young explorer was sneaking out to lead all-night climbing expeditions. As a teenager at Eton College, Bear found his identity and purpose through both mountaineering and martial arts. These passions led him into the foothills of the mighty Himalayas and to a karate grandmaster's remote training camp in Japan, an experience that soon helped him earn a second-degree black belt. Returning home, he embarked upon the notoriously grueling selection course for the British Special Forces to join the elite Special Air Service unit 21 SAS—a journey that would push him to the very limits of physical and mental endurance. Then, disaster. Bear broke his back in three places in a horrific free-fall parachuting accident in Africa. It was touch and go whether he would walk again, according to doctors. However, only eighteen months later, a twenty-three-year-old Bear became one of the youngest climbers to scale Mount Everest, the world's highest summit. But this was just the beginning of his many extraordinary adventures. . . . Known and admired by millions as the star of Man vs. Wild, Bear Grylls has survived where few would dare to go. Now, for the first time, Bear tells the story of his action-packed life. Gripping, moving, and wildly exhilarating, Mud, Swea, and Tears is a must-read for adrenaline junkies and armchair explorers alike.

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

'An epic story of hardship, friendship and faith.'
Daily Telegraph Shortlisted for the William Hill Sports Book of the Year Award, this is the compelling account of the most recent adventure of the bestselling author of Facing Up. It started out as a carefully calculated attempt to complete the first unassisted crossing of the frozen north Atlantic in an open rigid inflatable boat, but it became a terrifying battle against storm-force winds, crashing waves and icebergs as large as cathedrals. Starting from the remote north Canadian coastline, Bear Grylls and his crew crossed the infamous Labrador Sea, pushed on through ice-strewn waters to Greenland and then found themselves isolated in a perfect storm 400 miles from Iceland. Compelling, vivid and inspirational, Facing the Frozen Ocean will appeal to all Bear Grylls' many readers and win him many more.
