For over seventy-five years, the prophecies and readings of Edgar Cayce-- The Sleeping Prophet-- have inspired millions of people around the world, and been the subject of hundreds of books. Over fifty years after his death, Cayce is still regarded as the father of the new age movement, and the foremost psychic of the twentieth century. His thoughts on the soul's journey, past lives, dreams, ancient civilizations, and astrology

are still closely studied and followed by practitioners in these fields. But until now, only those who knew and studied him have been able to tell Cayce's story and philosophy. From Jess Stearn's *The Sleeping Prophet* to Thomas Sugrue's *There Is a River*, many bestselling books have sold millions of copies and touched many lives. Now, for the first time, Edgar Cayce tells his story in his own words. Only recently discovered, this new memoir delivers Cayce's important message to the world at a most crucial time, the dawn of the twenty-first century. In this personal, moving story, readers learn how

Cayce felt about his amazing powers. Here Cayce speaks about the angelic presence that visited his childhood Kentucky home and told him that he would become a healer to millions. We also learn about his extraordinary childhood ability to learn his school lessons simply by sleeping on his books. Cayce also addresses the devastating throat paralysis that he miraculously overcame, and how he ultimately realized that his powers could only be used to help and enable people, and not for personal profit. Cayce even gives a "behind the scenes" glimpse at his many psychic readings. The

combination of ability and humility, compassion and caring turned Cayce from social outcast to world-renowned psychic healer. Throughout his life, Edgar Cayce's was the voice people turned to for advice on issues as diverse as health and healing and philosophy and world issues. Now, Cayce speaks once more on these issues and delivers his ultimate message to humanity for the first time. My Life as a Seer brings to life the emotional frustrations, motivations, fears, and visions of the century's premier spiritualist.

Sibeal has always known that she is destined for a spiritual life, and is committed to it with all her heart. The only thing left for her to do before she enters the nemetons is to spend the summer visiting her sisters, Muirrin and Clodagh, on the northern island of Inis Eala. But Sibeal has barely set foot on the island before a freak storm out at sea sinks a ship before her eyes. In spite of frantic efforts, only three survivors are fished alive from the water, and one of them,

But it becomes clear there is something unusual about the three shipwrecked strangers. Why won't the beautiful Svala speak? And what is it that the gravely ill Ardal can't remember - or won't tell? When a visiting warrior is found dead at the bottom of a cliff, and an attempt is made on Ardal's life, Sibeal finds herself a pawn in a deadly game. The truth will be far more astonishing than she could ever have believed - and the consequences for

"For anyone who has ever tried to understand what it is to be a human being, the quest for this fundamental kind of knowledge has always been grounded on a few basic, but hidden, assumptions. Foremost a given, a backdrop against which our thoughts and actions are given focus. Rarely in the philosophical literature has anyone questioned this idea, that the world exists whether we are here to experience it or not"--P. [4] of cover.

The prophetic movements in church history and in contemporary life are fed by two mighty streams: the prophet, whose revelation is primarily verbal, and the seer, whose revelation is more visionary in nature. While the role of the prophet is familiar, less is known about the seer dimension. To many people, these visionary prophets remain mysterious, otherworldly, and even strange. Knowledge dispels misunderstanding. Join author Jim W. Goll on an exciting and insightful journey into this lesser-known dimension—the visionary world of the seer. You will discover the prophetic power of

dreams, visions, and life under the open heavens. How does visionary revelation "happen?" Can it be trusted? Where does it fit into the life of the church today? Can any believer become a seer, or is this a prophetic dimension reserved for the specially-gifted? The Seer answers these questions and will move your heart and stir up your hunger for intimacy with God, because The Seer's goal is to reveal the man Christ Jesus!
