Pulitzer Prize-winning author and astronomer Carl Sagan imagines the greatest adventure of all—the discovery of an advanced civilization in the depths of space. In December of 1999, a multinational team journeys out to the stars, to the most awesome encounter in human history. Who—or what—is out there? In *Cosmos*, Carl Sagan explained the universe. In *Contact*, he predicts its future—and our own.

The sudden murder of two witnesses and the abrupt disappearance of three others heave Inspectors Box and Carl into a world of suspense and deception. The dark alleyways of the investigation

unexpectedly land the Inspectors one small clue. Suddenly, the investigation takes a fiendish turn exposing law enforcement at its worst.

In a normal town, abnormal occurrences begin. Co-workers, friends, and loved-ones start vanishing. Lore of the 'Reoccurring Cult' spreads, and the disappearance of one man Paul Grayson, triggers a police department investigation. Veteran officers Carl and Ralph are placed on the case. Leads are hounded, and evidence is stacked, when it happens again- to someone dear to them. Motivated, they spend themselves, searching of the elusive, bewildering cult leader.

challenges-many of which are portrayed in the adolescent drama, "Sagacious Teens," that shares a multicultural glimpse into the lives of more than a dozen teenagers from diverse backgrounds. From Carlos who shares a far-fetched story of a weekend gone awry with his friend Ernesto to Richard who is having trouble balancing his girlfriend's demands with his own needs. Seasoned teacher J. Thompson provides eye-opening insight into how teenagers face problems and learn to deal with them, either on their own or with the help of friends. Carmelita loves two boys - one who is a compulsive liar and another who connects with her soul. Aretha is frustrated with the police and her community's lack of involvement. Artie and Rich are concerned about a school administrator who claims the students are his responsibility. Rob is upset when a well-liked teacher picks on him for wearing a hoody. "Sagacious Teens"

offers a look into the compelling experiences of a group of teenagers that helps bring awareness to parents, other adolescents, and teachers about the lives, interests, and challenges of today's youth.

Danni Cafferty teams up with Michael Quinn, a former cop with an unusual past, to find and destroy a centuries-old bust that was stolen from a New Orleans grave, which has mysteriously appeared and disappeared from her late father's antique shop.

Years after Caspers ' s unnamed narrator loses her first lover in a tragic accident, she finds herself wondering, “ What did she want from me? What are the things that matter? ” In vivid, richly detailed vignettes, the book tracks the cyclical nature of grief and remembrance across a life fractured by loss. At times dryly comical,

Book 1 of the Henry Parker series by bestselling thriller author Jason Pinter. Right as I'm about to die, I realize all the myths are fake. There's no white light at the end of a tunnel. My life isn't flashing before my eyes. All I can think about is how much I want to live. I moved to New York City a month ago to become the best journalist the world had ever seen. To find the greatest stories never told. And now here I am—Henry Parker, twenty-four years old and weary beyond rational thought, a bullet one trigger pull from ending my life. I can't run. Running is all Amanda and I have done for the past seventy-two hours. And I'm tired. Tired of knowing the truth and not being able to tell it. Five minutes ago I thought I had

the story all figured out. I knew that both of these men—one an FBI agent, the other an assassin—wanted me dead, but for very different reasons. If I die tonight—more people will die tomorrow. Originally published in 2007.

Robert had never used his father's invention for personal gain, but saving the life of his brother was a risk he just had to take. Unfortunately, no matter how much preparation is involved, things can never go as planned when you're playing with the very fabric of the space-time continuum. If Robert succeeds, he will rob the family who is plotting to kill his brother of their power from the moment they acquired it, deep in the past. But if he fails, it could be more than just his brother's life that is in jeopardy. Either way, he will certainly alter history and create a new timeline of events, which in

turn will radically change the life he has always known. But will there be a price to pay for his actions? Consequences for "playing God?" Perhaps most importantly, if things go wrong, could any of the damage ever be fixed?

For fans of Maria Semple and Rainbow Rowell, a comedy-drama for the digital age: an epistolary debut novel about the ties that bind and break our hearts. Iris Massey is gone. But she ' s left something behind. For four years, Iris Massey worked side by side with PR maven Smith Simonyi, helping clients perfect their brands. But Iris has died, taken by terminal illness at only thirty-three. Adrift without his friend and colleague, Smith is surprised to discover that in her last six months, Iris created a blog filled with sharp and often funny musings on the end of a life not quite fulfilled. She also made

one final request: for Smith to get her posts published as a book. With the help of his charmingly eager, if overbearingly forthright, new intern Carl, Smith tackles the task of fulfilling Iris ' s last wish. Before he can do so, though, he must get the approval of Iris ' big sister Jade, an haute cuisine chef who ' s been knocked sideways by her loss. Each carrying their own baggage, Smith and Jade end up on a collision course with their own unresolved pasts and with each other. Told in a series of e-mails, blog posts, online therapy submissions, text messages, legal correspondence, home-rental bookings, and other snippets of our virtual lives, *When You Read* This is a deft, captivating romantic comedy—funny, tragic, surprising, and bittersweet—that candidly reveals how we find new beginnings after loss.
