Christmas is a time for giving - what do you do when no one gives a damn? For Zachary Weston Christmas means sleeping on a churchyard bench in the freezing snow with nothing better in his future. Thrown out of his home for being gay, he is left without money or, it seems, anywhere to go. Until a stranger shows him that some people do give a lot more than a damn. Ben Hamilton is a rookie cop in his small home town. He finds a young throwaway, fresh from the city, sleeping on a bench in the churchyard on a snowy Christmas Eve. Can he be the one to give Zachary his own Christmas miracle?

It takes an impossible Christmas wish for Bailey to find forever love with his brother's best friend. Turning twenty-five and still a virgin, Bailey has barely dated, let alone acted on the private fantasies featuring his brother's best friend, newly retired hockey star, Kai. All he wants is for Kai to love him, but after a summer when Kai's anger drove them apart, love doesn't seem possible at all. When Kai goes to Wishing Tree, he knows he owes everyone an apology, not least of all to the man he loves. He's convinced he can be the man that Bailey deserves, and he needs to show Bailey how much he's changed. The only problem? Bailey has secrets that he's scared will drive Kai away, and Kai is running out of time to convince Bailey that falling in love starts with a wish and can end up in forever. The Wishing Tree is a standalone small-town Christmas MM romance with perfect snow, twinkling lights, a first real kiss, a shy virgin with a silken kink, a retired hockey player, and all the Christmas feels.

Christmas is a time for giving - what do you do when no one gives a damn?For Zachary Weston Christmas means sleeping on a churchyard bench in the freezing snow with nothing better in his future. Thrown out of his home for being gay, he is left without money or, it seems, anywhere to go.Until a stranger shows him that some people do give a lot more than a damn. Can he be the one to give Zachary his own Christmas miracle?

Can Connor show River a real Texas family Christmas? When Connor finds River on the roof of the campus admin building, he doesn't know what to do. His friend is drunk, and shouting into a snowstorm, a bottle of vodka in his hand. The easy part is getting River down; the hard part is insisting River comes home with Connor for Christmas. River doesn't have a family or any place outside of college that he calls home. Not that it matters to him; he's happy being alone for Christmas in his budget motel, watching reruns of Elf. Only, Connor keeps telling wildly improbable stories of the perfect family celebrations at his parents' ranch in Texas, and it's wearing River down. He didn't ask to be kidnapped. He didn't want to fall in love with the entire Campbell-Hayes family. But he does. From one Christmas to the next. This is Connor's year to rescue River, and himself, for them both to mess things up, make things right, fall in lust, and finally, for Connor to show the man he loves what being part of a family can mean.

Careless Love is the full, true, and mesmerizing story of Elvis Presley's last two decades, in the long-awaited second volume of Peter Guralnick's masterful two-part biography. Last Train to Memphis, the first part of Guralnick's two-volume life of Elvis Presley, was acclaimed by the New York Times as 'a triumph of biographical art.' This concluding volume recounts the second half of Elvis' life in rich and previously unimagined detail, and confirms Guralnick's status as one of the great biographers of our time. Beginning with Presley's army service in Germany in 1958 and ending with his death in Memphis in 1977, Careless Love chronicles the unravelling of the dream that once shone so brightly, homing in on the complex playing-out of Elvis' relationship with his Machiavellian manager, Colonel Tom Parker. It's a breathtaking revelatory drama that for the first time places the events of a too-often mistold tale in a fresh, believable, and understandable context. Elvis' changes during these years form a tragic mystery that Careless Love unlocks for the first time. This is the quintessential American story, encompassing elements of race, class, wealth, sex, music, religion, and personal transformation. Written with grace, sensitivity, and passion, Careless Love is a unique contribution to our understanding of American popular culture and the nature of success, giving us true insight at last into one of the most misunderstood public figures of our times. This enhanced edition includes: Exclusive video footage going further into Colonel Parker's role in Elvis's postwar career as well as the conservation efforts taken to maintain the Presley archive. Rare audio clips featuring audio engineer Billy Porter, musical director Billy Goldenberg, and bassist Jerry Schiff-all influential players in Elvis's post-war career.

Danger from Liam's past arrives at the Double D, and threatens everything Jack and Riley hold dear. Centering on Jack and Riley, parents, lovers, and friends, Jack makes a decision that will affect the ranch, and Riley realizes peace comes at a price. Eli and Robbie have their home on Double D land. Their love is rooted in the Texas soil and they weather as many storms as can be thrown at them. And Liam, a young man with a head full of dreams and sleep full of nightmares, finds that all things are possible when Marcus decides to interrupt his solitary existence.

The love story of a lonely prince, the man who steals his heart, and the magic of a snowy castle at Christmas. Labeled as a playboy Prince, Raphael has done many crazy things in his life but commissioning a new museum to employ a stranger as a curator may top them all. For him, the game began in London when he outbid Marc at a Sotheby's auction, but what started as a misguided attempt at flirting ends when Marc confronts him and tells him home truths that cut deep. No one has ever stood up to Raphael before, and it's enough to have him questioning his role as the youngest son of an ancient royal family. He wants to be a better man, and if he happens to fall in love on the way there, then that's just perfect. The threat of losing his job means this could be the worst Christmas of Marc's life. Not only has he been outbid on a piece of history to a prince with more money than sense, but his career at the British Museum is now on the line. When the same prince offers him a dream position, his first instinct is to refuse out of principle, but he knows he can never turn down being part of a team that reveals centuries of hidden history. His professionalism turns to horror when he discovers that he's not part of a team at all and that Raphael-call me Rafe-is determined to shadow his every move. Hours alone in the castle archives start frosty, but when the ice melts, the magic of Christmas could lead to love. Christmas Prince is a standalone, opposites attract, Christmas M/M romance with a lonely prince, a stunning castle in the snow, a touch of magic, and a beautiful happily ever after.

Logan Maxwell, a winger for the Burlington Dragons, is stuck in Dallas and missing Christmas with his family. There's no snow in this damn city, he's lonely, and he can't even remember the last time he hooked up with a guy. Spending his precious Christmas break with the other single players on the team could be great, he guessed, but for one thing; Archie Simard. Lusting after the brother of your team captain is the worst idea in the history of bad ideas, Logan knows that. But when fate throws him and the temptation that is Archie together, it's hard not to fall in love.
