This column is part of our ongoing Opinion commentary on faith, called Living Our Faith. Get weekly roundups of the project in your email inbox by ...

Jesus was our model and teacher in prayer. By His life and His lips our Lord's constant fellowship with the Father pointed to the necessity of ours. But Jesus didn't pray merely as an example to us. For thirty-three years, He lived as a man, tempted in all points like as are we. He prayed because He had to pray. He prayed because He must. In this 50th anniversary edition of The Power of Positive Praying, Dr. Bisagno expands this classic work with eight new chapters on prayer. If the Son of God prioritized prayer, how more must

we? And His prayers were answered as will be ours, if like Him we pray in His Will, in His Word and in Faith. For that's the power of positive praying.

Answers all doubts about the practice of prayer Do you want to know answers to the following questions? What to pray for? How to Pray? What are the benefits of Prayer? What is Confession? What are the types of Prayer? Then this book is a must buy. In addition, it introduces the Art of Positive thinking and quotes examples from the works of Swami Vivekananda, Sri Ramakrishna and Sri Sarada Devi. Our other books here can be searched using #RKMathHyderabad

The book describes the power positive thinking has and how a firm belief in something, does actually help in achieving it. In order to live a successful and constructive life, one needs to know about the secrets of positive thinking says the author for it is the most important ingredient for a better and blissful life. The Power of Positive Thinking' will help you overcome negative attitudes, such as fear and lack of confidence and replace them with the traits of a positive thinker optimism, determination, patience and focus. Simple techniques of elevating low moods and energy levels by positive thinking also improve ones overall mental and physical health. This book will show you how you can deal more effectively with tough situations and difficult people and dramatically improve your performance and confidence. You must learn that the easiest way to an easy mind is to create an easy mind. This is done by practice and by the application such as "Believe in yourself and in everything you do", "Build new power and determination", "Improve your personal and professional relationships" and "Be kind to yourself" etc.
