My book has three narrators: my birth mother, my adopted mother, and myself. It is the tale of two mothers and their connection to one child. One mother was shamed because she had a child and the other because she couldn't. I am one of 3,500 Greek orphans adopted to the U.S. in the 1950s. Conceived in an act of violence, I was born to an unwed mother who was exiled from her island home for 44 years. Homeless and seven months pregnant in a large mainland city, she could not care for me and lost me to foreign adoption. Raised in California, I returned to Greece when I was 30 where, through a series of life-changing events, I reconnected with my birth mother. Finally, as the orphaned child, I tell my story. Based on documents and oral histories given by both mothers, and my

From the founders of the acclaimed Summit event series and community comes the story of their unconventional journey to business success and the hard lessons they learned along the way. “If you want to succeed as an entrepreneur, *Make No Small Plans* shows how the Summit team did it.”—Ray Dalio, #1 New York Times bestselling author of *Principles for Dealing with the Changing World Order* In 2008, with no event production experience and two college degrees between the four of them, Elliott Bisnow, Brett Leve, Jeff Rosenthal, and Jeremy Schwartz became business partners and set out to build a global events company. Since then, they have grown Summit into a global community with events all over the world, hosting luminaries including Jeff Bezos, Richard Branson, Shonda Rhimes, Brené Brown, Kendrick Lamar, and Al Gore. In 2013, the Summit founders acquired Powder Mountain, the largest ski resort in the United States, with a dream of building a mountaintop town of the future. In *Make No Small Plans*, they reveal the triumphs, mistakes, and cornerstone lessons from their journey, which began during the Great Recession and continues today. A life strategy guide by the creator of the Spartan Race explains how the principles that bring about success in an extreme sports environment can help anyone achieve his or her full potential in life, business, and relationships.

Here is the story of Jerry Weintraub: the self-made, Brooklyn-born, Bronx-raised impresario, Hollywood producer, legendary deal maker, and friend of politicians and stars. No matter where nature has placed him--the club rooms of Brooklyn, the Mafia dives of New York's Lower East Side, the wilds of Alaska, or the hills of Hollywood--he has found a way to put on a show and sell tickets at the door. "All life was a theater and I wanted to put it up on a stage," he writes. "I wanted to set the world under a marquee

In WHEN I STOP TALKING, YOU'LL KNOW I'M DEAD, we follow Weintraub from his first great success at age twenty-six with Elvis Presley, whom he took on the road with the help of Colonel Tom Parker; to the immortal days with Sinatra and Rat Pack glory; to his crowning hits as a movie producer, starting with Robert Altman and Nashville, continuing with Oh, God!, The Karate Kid movies, and Diner, among others, and summing with Steven Soderbergh and Ocean's Eleven, Twelve, and Thirteen. Along the way, we'll watch as Jerry moves from the poker tables of Palm Springs (the games went on for days), to the power rooms of Hollywood, to the halls of the White House, to Red Square in Moscow and the Great Palace in Beijing-all the while counseling potentates, poets, and kings, with clients and confidants like George

And of course, the story is not yet over . . . as the old-timers say, "The best is yet to come." As Weintraub says, "When I stop talking, you'll know I'm dead." With wit, wisdom, and the cool confidence that has colored his remarkable career, Jerry chronicles a quintessentially American journey, one marked by luck, love, and improvisation. The stories he tells and the lessons we learn are essential, not just for those who love movies and music, but for businessmen, entrepreneurs, artists . . . everyone.

wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons.

"Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times

In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London

and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for

his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality.

Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.
